

DOCUMENTS REQUIRED FOR ASSESSMENT

During the assessment of the CNC program there are a number of documents that must be reviewed. Documents such as attendance, fire drill log and children's Registration Forms that are on file in the CNC program will be reviewed by your Consultant.

In addition, you will need to have the following documents available at the site for review. For this contract year we will continue to accept some documents submitted electronically. Please ensure they are submitted a minimum of 10 business days before the scheduled assessment. Documents that can be uploaded are noted with an asterisk *
